About Us

Founded in August 2016, Evelabs is a MedTech company with the mission to enhance clinical efficiency, safety, and patient experience through innovative IoT-connected medical devices . Certified under ISO 13485, the company handles all aspects of medical device lifecycle management—from R&D and design to manufacturing, distribution, and servicing.

Where We Operate

- Headquarters & Manufacturing: Located at the Kerala Technology Innovation Zone in Maker Village, Kalamassery near Kochi, Kerala .
- Service Reach: Products installed at over 200+ healthcare institutions across India, covering more than 90 customers and over 15000 units in hospitals, clinics, and government facilities covering all states in India.

Partnerships & Recognition

Evelabs has been supported by notable funders and incubators such as JITO Angel Network, IKP Hyderabad, BIRAC, Kerala Startup Mission, IIM-Ahmedabad's CIIE, and ISB's D-labs .

Awards & recognitions include:

- Medical Innovation Awards (2018: Best Emerging Startup)
- CAHO Innovation Awards
- NASSCOM HIC Healthcare Innovation Awards
- CII Design Excellence Awards
- Selected for Arab Health Innov8 Talks 2021 (one of 30 global startups)
- Participation in UNDP Draper University Acceleration 2021

□ Our Service & How We Deliver It

At **Evelabs**, we ensure that every installation is smooth, every staff member is confident, and every support call is answered. Our service is designed to be simple, fast, and reliable.

□ 1. Pre-Installation Planning

Site Readiness Guidance

We coordinate with the hospital's electrical, mechanical, and IT teams to ensure readiness. Evelabs provides detailed installation guidelines to help the hospital prepare for a faultless deployment.

⚙️ 2. Onsite Configuration & Setup

Configuration & Testing

Our team maps each button to the respective bed or location based on your layout and requirements. Once configured and tested, the system is live and ready to use — no further setup needed.

□□ 3. Training & Handover

Onsite Staff Training

We provide hands-on training to nursing staff and technical teams on how to use the system, respond to alerts, and manage common troubleshooting.

Documentation & Sign-off

All installations are formally documented with checklists and training records to ensure completeness and compliance.

□ 4. After-Sales Support

Dedicated Support with Escalation Matrix

Hospitals receive prompt assistance via phone or email, with a guaranteed **response time of under 1 hour** for support calls.

Instant Button Replacement Support

In most cases, button replacement can be completed over a phone call. We ensure hospital maintenance teams are trained to perform basic replacements and diagnostics.

We offer **Annual Maintenance Contracts (AMC)** that include preventive checks, software upgrades, and performance optimization.

Customers

The solution has been successfully implemented with over 200+ customers, ranging from small clinics to large hospitals, including INHS Sanjeevani, Baby Memorial, Nanavati Max, and Fortis. In total, 15000 units have been deployed.

Terms & Conditions

Scope of Application

The General Terms and Conditions ("General Terms") hereinafter set forth shall exclusively apply to all transactions with Evelabs technologies Private Limited ("Evelabs") with registered office in V V Nivas Archal Nediya PO Anchal Kollam Kerala India 691306

.

Configuration & Installation Terms

1. Configuration & Training

The configuration and training of Evelabs products will be carried out exclusively by the Evelabs team.

1. Site Preparation

All wiring, drilling, and related preparatory work must be completed by the customers' team, as per Evelabs' installation requirements.

1. Pre-Installation Requirements

Any civil, electrical, mechanical, or IT-related work necessary for the installation of Evelabs products must be fully completed before the installation process begins.

1. Installation & Handover

A proper, fault-free installation followed by a professional handover to hospital staff is mandatory. This process must be documented and acknowledged in writing by both parties.

Other Payment Terms

All bank charges of Dealer Bank shall be borne by the buyer and seller Bank charges will be borne by the seller.

Delivery Period

Period of Delivery is 25 days from the confirmation of order by Evelabs unless specified by Evelabs over email communication. The period for delivery and performance starts upon dispatch of the acknowledgement and acceptance of the order by Evelabs, but not before, if necessary, all technical details have been fully cleared up and agreed upon, all documentation, permits, approvals, clearances etc. to be supplied by the buyer have been provided, and only after any agreed upon down payment has been received by Evelabs. Compliance with the delivery period or schedule shall be contingent upon performance of the buyer's obligations.

Maintenance

Scope The scope of work covers comprehensive on-site maintenance of Devices provided by Evelabs and doesn't involve any other infrastructure required for installation.

All the complaints received shall be attended by them in the following manner.

- Minor faults immediately with telephonic support.
- Major faults which require a visit to the branch within a week.
- Repair of equipment shall be carried out at Evelabs Production Site and shall be sent back to the customer.

Any terms described here will not be valid if a separate contract is signed between buyer and Evelabs.

Duties of Inspection and Notice of Defects

The buyer shall be obliged to inspect the packaging and the products immediately upon delivery and loses the right to rely on a lack of conformity of the products if the buyer does not give notice to Evelabs specifying the nature of the lack of conformity within 5 days.

Warranty of Quality of Evelabs Products

Evelabs will provide warranty of the product for the period of 12 months, unless specified in separate warranty card.

The start of the warranty period depends on the return of the duly completed and signed Evelabs Installation Protocol. The nonreturn of the two protocols within 6 weeks after installation and hand-over invalidates the warranty.

Generally excluded from the warranty period are all wear & tear parts pull cord, pedant button and battery.

Evelabs shall not be liable for any damage resulting from non-compliance with the instructions for assembly and/or installation and/or the operating instructions, from unsuitable or improper storage and/or use of the Evelabs products, from faulty assembly and/or installation or from faulty commissioning by the buyer or third parties, from normal wear and tear, or from faulty or negligent handling by the buyer, nor for any damage caused by unsuitable components or parts or replacement materials, chemical, electrochemical, electrical, atmospheric and other unforeseeable influences, provided that any such damage is not predominantly attributable to any fault on the side of Evelabs.

Place of Performance, Place of Jurisdiction, and Governing Law

Exclusive Place of jurisdiction for any dispute arising under, out of, in connection with or relating to this Agreement shall be Cochin India, governed by the law of India.
